

UK Auto Recyclers ARA Convention Road Trip 2023

Visiting some of the best automotive recycling businesses in North America as we head towards Kansas City for the 2023 ARA Convention

See first hand how US recyclers operate, the standards they work to, sales operations, vehicle storage, dismantling, parts distribution and more; meet US auto recyclers in their businesses and network with a select group of UK auto recyclers on the trip.

Learn from the best speakers, trainers and developers at the ARA Convention. Browse the Exposition, and network with fellow auto recyclers from around the world.

Flight Details

Flights between the UK and the US are easy to arrange and there are some suggested websites below.

www.britishairways.com,
www.expedia.co.uk or
www.lastminute.com

Please note, the organisers are not responsible for any travel to, from or within the USA, however we want groups to share rental vehicles.

All UK recyclers would be expected to meet all entry requirements for the USA, this includes any COVID requirements

Other Details

UK recyclers would be expected to arrange all flights and their own travel insurance, register as a delegate for the ARA Convention ([Plug In To Success](#)) and book their own hotel rooms for the Road Trip and Convention.

UK Recyclers are responsible for their own transport/vehicle hire arrangements, however this could be shared with other recyclers.

*The proposed itinerary is subject to change at any time.

Delegates must ensure that they have a valid passport and appropriate paperwork suitable to enter the USA, for more details please click [here](#) to access the Visit USA advice page.

To book your place on the road trip please forward details to Andy Latham at Salvage Wire (andy@salvagewire.com).

The Automotive Recyclers Association

Since 1943, the Automotive Recyclers Association (ARA) is an international trade association which has represented an industry dedicated to the efficient removal and reuse of automotive parts, and the safe disposal of inoperable motor vehicles.

ARA services approximately 1,000 member companies through direct membership and over 2,000 other companies through their affiliated chapters. Suppliers of equipment and services to this industry complete ARA's membership. ARA is the only trade association serving the automotive recycling industry in 12 countries internationally.
